

Örebro & May 30th – June 1st 2023

The final day is here - Norway and 2 x Sweden in the lead

• e are down to the last day, and in all three competitions there is still much to play for. Four matches to play and still a lots of IMPs and VPs at stake.

In the Open series Norway is more than 5 VPs clear and they are followed by Iceland, Denmark, Sweden, Finland and the Faroe Islands. The latter team was reinforced with a Swede in the last match.

In the Women's series Sweden Yellow is more than 14 VPs ahead of Denmark and then come Finland, Iceland, Norway and Sweden Blue.

In the Youth series Sweden U26 is ahead of Norway U26 by 6 VPs and then come Finland U26, Norway U21, Denmark U26W, Sweden U21, Denmark U21 and Denmark U26.

General information

Format Open and Women

The Championships will be played in two series – women and open teams. In each of the two series, a double Round Robin will be played.

All matches being played as single sessions – without half time – and over 15 boards. The allocated time is 2 hours.

The schedule of the second round robin is based on the rankings after the first round robin. The pairings are (6-4, 3-1, 5-2), (2-3, 4-5, 1-6), (4-1, 6-2, 3-5), (6-3, 5-1, 2-4), (1-2, 3-4, 5-6).

Both series being played with pre-dealt boards. Screens are in use at all tables and BridgeMate being used for the official scoring. Butler scores will be published after each session.

Format Youth

The Championships consist of two classes: under 21 open teams and under 26 open teams.

The tournament is played as a round robin between all participating teams in one group, followed by a gold/silver medal match for the 1st and 2nd placed teams in u21 and u26 and a bronze medal match for the 3rd and 4th team in u26. The two teams left play each other.

Each match consists of 15 boards. The allocated time is 2 hours.

For playoff matches, there will be a carryover calculated as follows:

1. First calculate the VP difference between the two teams in the final standings of the round robin.

2. Then multiply this number with 1,5 IMP.

The result will be the carryover for the higher placed team.

The higher placed team will be the home team.

NBU Trophy

The two series combined for each NBO, will determine the Nordic Champions by the lowest combined placing number.

In addition to awards given in each class, the NBU Trophy will be calculated as follows:

Each NBO designates one participating team. The NBU Trophy rankings are calculated from the results of the matches between the designated teams only. If an NBO does not explicitly designate a team for the NBU Trophy, by default it will be the open team under 26 or open Team under 21, in order of priority.

The imps obtained in a playoff match are converted into VPs. In addition, teams participating in the gold/silver match are awarded a bonus of 10 VPs for NBU Trophy purposes.

BBO

One match from each rond, either open, women or youth, will be broadcast on BBO

Seating rights all classes

The home team sits North-South in the open room and East-West in the closed room throughout the match. The home team has the right to seat its players after the visiting team has done so. The visiting team is required to take its places 5 minutes before the start of each round.

DENMARK VS FAROE ISLAND + SWEDEN!

In the last match yesterday the Swedish junior captain, Karl Asplund, played for the Faroe Island. The reason was that one of the player got sick which can be problematic with only four players at site.

Wednesday's gems

First match Board 5 was exciting.

In the junior battle between Sweden U21 and U26, the morning match on BBO, West was a bit eager for blood:

WEST	NORTH	EAST	SOUTH
F. A. Sivelind	M. Bertheau	Nordqvist	Wiberg
	1♥	2	3
pass	4	pass	4♥
pass	4NT	pass	5♣
D	6♥	pass	pass
D	pass	pass	pass

West doubled 6♥ but didn't recieve a spade lead. Likely the double over 5♣ confused East. Declarer Markus Bertheau (picture on the left) took the deep finesse i hearts, ruffed a club, drew trumps and finessed in spades, contract made. NS +1660. Well done! The other table:

WEST	NORTH	EAST	SOUTH
Mann	Hjort Warlenius	Hansson	Lichtenstein
	1♥	pass	1 🛧
4♣	pass	5♣	D
pass	5NT	pass	6♣
pass	6♦	pass	6♥
pass	pass	pass	

Here EW put some pressure but nonetheless NS found a way to slam. 54 double looks like 800 at most. However, it would not be enough compared to 1660 at the other table.

5NT asked South to pick a 'red' slam but South refused to show the heart support and bid 6. Maybe he still wanted to keep the spade suit in the picture.

A club lead gave the declarer a chance to make his contract, but without any double there weren't any reason not to play hearts form the top. One down, EW -100. That was 18 impressive IMPs for U26.

On the very same board Peter Bertheau (Swedish Open) thought Christmas came early:

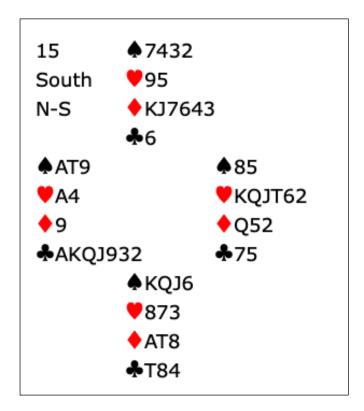

Sweden U21 and U26. Fr om left Harry Hjort Warlenius (U21), Erik Hansson (U26), Ivar Lichtenstein (U21) and a part of Castor Mann (U26). BBO operator. Björn Holm.

WEST	NORTH	EAST	SOUTH
Nyberg	Hult	Juuri-Oja	P. Bertheau
	1♥	3	pass
pass	D	pass	pass
pass			

Five down, +1100. That was worth 10 IMPs when NS bid and made 4♥ at the other table.

Both Sweden Yellow (women) and Faroe Island (open) had a misunderstanding reaching 7♥ on board 15:

A diamond lead at both tables crushed declarer's hope.

Sweden U26 won 10 IMPs when Castor Mann jumped to slam.

WEST	NORTH	EAST	SOUTH
Mann	Hjort Warlenius	Hansson	Lichtenstein
			pass
1♣	pass	1♥	pass
2 *	pass	2♥*	pass
2NT*	pass	4♥	pass
6♣	pass	pass	pass

 $2\diamondsuit$, $2\blacktriangledown$ and 2NT were conventional bids. $4\blacktriangledown$ was the key bid, since it must show quite a solid heart suit. West had a firm suit of his own and chose clubs as trumps. There were twelve easy tricks after a diamond lead.

The other table:

WEST	NORTH	EAST	SOUTH
F. A. Sivelind	M. Bertheau	Nordqvist	Wiberg
			pass
1♣	1♦	1♥	2♣*
3♦*	pass	3♥	pass
5♣	pass	pass	pass

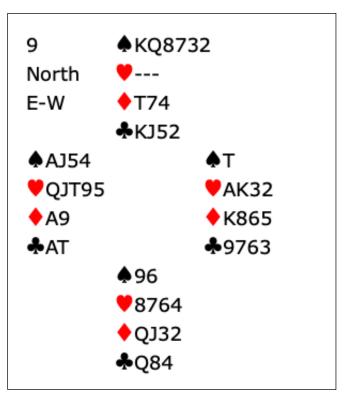

After West's forcing $3 \diamond$ East could have jumped to $4 \heartsuit$, then West might have pushed for a slam here as well.

Second match Vulnerable against not, Erik Hansson (Sweden U26) heard 2 from his right hand opponent and chose to double for take-out with

♠ 10 ♥ EK32 ♦ K865 ♣ 9763

What do you do when partner jumps to 5**?**?

Even though Hansson didn't have any extra values he accepted the slam try and bid 6♥. That was a correct view as the layout was as follows:

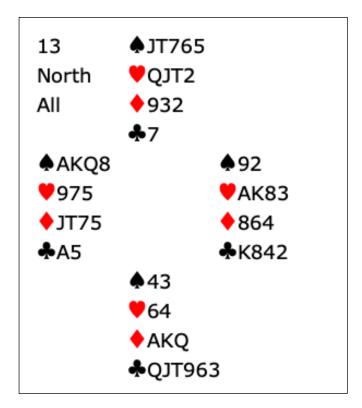

Declarer was able to ruff three spades in dummy (two with A-K in hearts) only losing a club trick. The bad trump split didn't cause any problem since West's hearts were solid. When the Norwegian U21 pair at the other table stopped in game that was 13 IMPs to Sweden U26.

Bogi Simonsen of Faroe Islands made a tactical bid on board 13 in the match against Finland. With

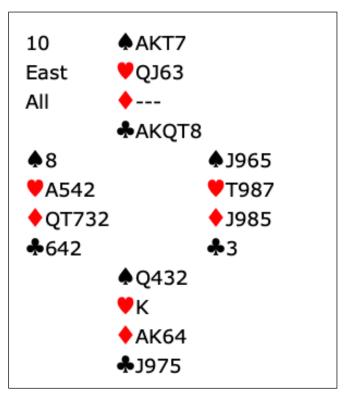

♠ 43 ♥ 64 ♦ AKQ ♣ QJ10963

all vulnerable he opened 3^{*} after two passes. West felt urged to double which led to a forced game for EW, as East tried 3NT. That was too high. This was the full deal:

Declarer took eight tricks, one down, and that was 5 IMPs to Faroe Islands when EW bid and made 2♥ (-110) at the other table. Despite this board Finland won the match: 48-25.

Third match Board 10 gave Sweden 78 IMPs (!) in total, since all Swedish teams bid and made slam while all their opponents failed – either not reaching slam or going down playing in the wrong trump suit.

All Swedish pairs avoided slam in spades – essential with the bad spade break. Lena Johansson–Ylva Pyykkö (Sweden Blue) bid 6⁴.

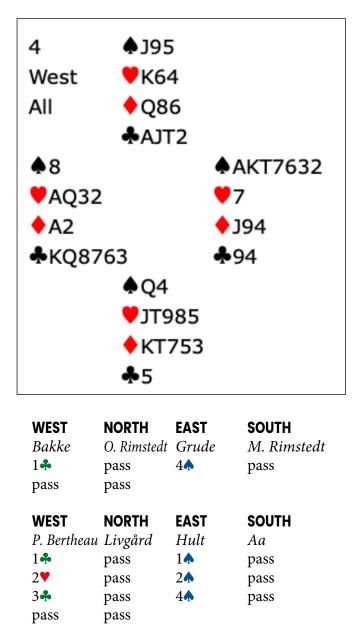

WEST	NORTH	EAST	SOUTH
T. Bilde	Johansson	Koch-Palmlund	Pyykkö
		pass	1♦
pass	2♣	pass	2NT
pass	3♥	pass	3NT
pass	4	pass	6♣
pass	pass	pass	

1 could be as short as one card. When North showed a three-suiter South judged the heart king to be an important card in case of a bad spade break. It was important not to bid 6. In 6. dummy could discard a spade on a top heart.

Matteo Nordqvist–Joakim Johansson (Sweden U21) would have been awarded with 11 points out of 10, if thre had been a bidding contest, since there were twelve tricks in 6NT – and that was what they indeed bid.

Fourth match In the evening BBO match from the Open series Norway defeated Sweden by 51-12.

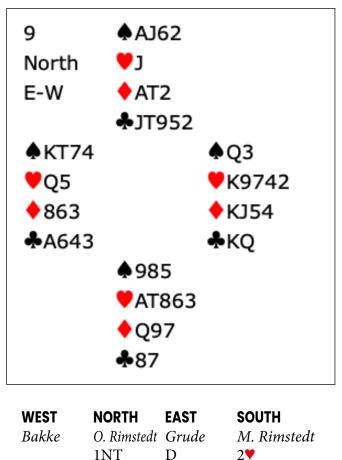

South led the singleton club to queen and ace. Both declarers tried to make life hard for North when they followed with the club nine at the first trick. North had to decide how to continue.

Allan Livgård gave South a ruff. NS had to get a diamond trick as well as a trump trick. One down; NS +100.

At the other table Ola Rimstedt tried a spade at trick two. Declarer could win the ace, cash another trump trick then play a club up, eventually establishing club winners and make an overtrick losing only one trick in clubs and trump respectively; EW -650. 13 IMPs to Norway.

Norway followed this up with 9, 10 and 1 IMPs leading by 33-0 after seven boards.

Here both tables played the same contract – but in different directions.

After Norths unbalanced mini-notrump (!) South had to play 2♥ doubled.

D

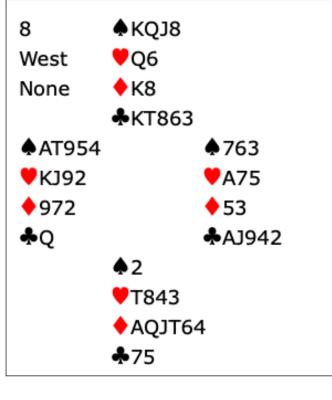

The lead was spade seven, dummy played low and East won trick one with the queen. To get seven tricks, the defence has to cash one club before returning a trump. At the table East won two club tricks then played a heart to West's queen. A diamond to the king was the fifth trick for EW. Declarer won the diamond continuation in hand, played a spade to the jack then ruffed a club. A diamond to the ace and another club followed. East ruffed with the nine, overruffed by South, then declarer exited with a spade, which East with only trumps left had to ruff. Declarer took the last two tricks with A-8 in hearts when East held K-7, escaping only one down; EW -100.

The bidding at the other table:

WEST	NORTH	EAST	SOUTH
P. Bertheau	Livgård	Hult	Aa
	1♣	1♥	pass
1♠	pass	2♣	pass
2♥	pass	pass	pass

Here the same contract was played but by EW. Declarer scored six tricks, thus two down; also EW -100 and that was another 5 IMPs to Norway.

From the match Norway vs Denmark 'Charles' observed a nice defence by the Danish women.

WEST	NORTH	EAST	SOUTH
Koch-Palmlund	l Haugen	T. Bilde	Heskje
Pass	1♣	pass	1 🔶 *
1	1NT	2	3NT
pass	pass	pass	

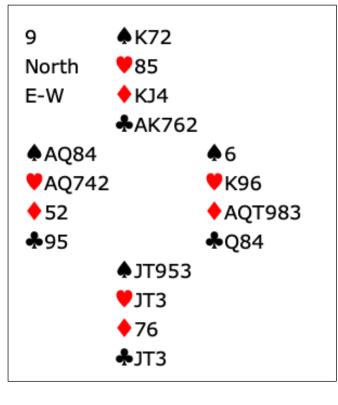

1 was transfer for hearts and 1NT denied three or more hearts. South hoped the diamond suit would create a lot of tricks and boldly took a chance on 3NT.

Charlotte Koch-Palmlund, Denmark.

East led spade six (2/4) to West's ace. Charlotte Koch-Palmlund knew declarer held two hearts at most, hence she cashed the king of hearts playing East to have either the queen or the ace. Jackpot! The king won the trick and the heart continuation went to the ace and another heart through dummy meant four heart tricks for the defence. Next came club queen to king and ace. The jack of clubs was the defenders seventh trick. Three down, EW -150.

At the other table the Danish declarer was allowed as North to make 2NT after a club lead; NS +120. That was 7 IMPs which played a part in Denmark's win by 41-26 IMPs. 'Charles' gave us two more boards, both from the match between Norway U26 and Denmark U26W.

WEST	NORTH	EAST	SOUTH
Rosthøj	Austad	Sigsgaard	Evenstad
	1♣	1♦	1♠
2♥	2	D	pass
4♥	pass	pass	pass

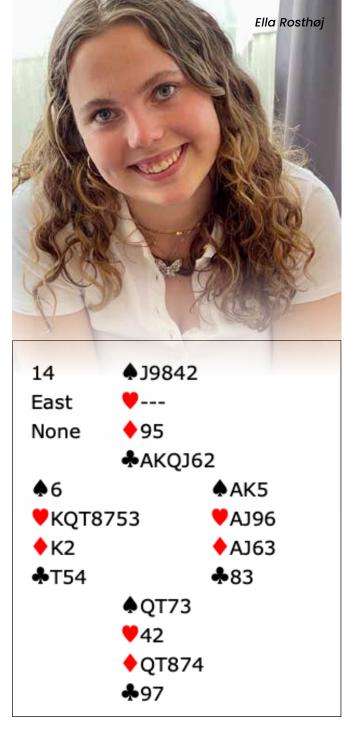

The double promised three hearts. North led the club ace and king then switched to a trump. EW -620.

At the other table EW stopped in 3 making three overtricks; EW -170. 10 IMPs to Denmark.

Only three pairs bid the heart game.

Good team spirit is important. Denmark W26 celebrate a minor loss as a victory.

WEST	NORTH	EAST	SOUTH
Rosthøj	Austad	Sigsgaard	Evenstad
		1NT	pass
4♣	D	4♥	pass
pass	4 🛧 !	5♥!	5♠!
pass	pass	pass	

4. was Texas for hearts. NS found the sacrifice. East led the ace and king in trumps then tried to cash heart ace, but that was ruffed and the defence got only one more trick. EW - 100.

At the other table 5♥ was played; EW -450. That was worth 8 IMPs for Norway U26.

Norway U26 beat Denmark U26W, 29-25 IMPs.
